# FOREWORD

Dear Reader,

A yearbook, if it gives a true and comprehensive picture of what the school is trying to accomplish, can do much to sell students, parents, and other supporters on the school's value to the community, the state and the nation.

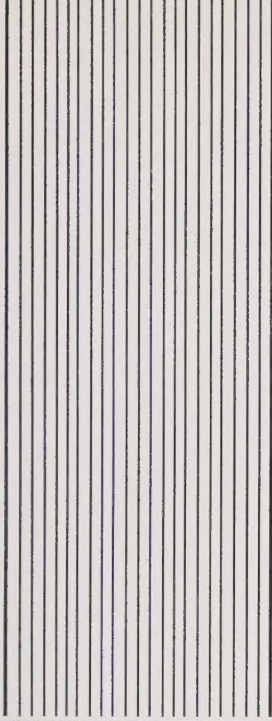

Here in the pages of the 1960 Echo we tell a complete story, from routine class-room operations right on through to the football field and graduation.

We, the 1960 staff, have enjoyed this adventure and we wish for you many moments of pleasure as you browse the memoirs of Ligon High.

## I

It seems as though it were yesterday that we were wide-eyed, ambitious, determined, and excited Freshmen. The year 1956, the place, Ligon High School where we were to prepare for a long academic journey. This was an eventful day for us. Eager to learn, we, under the capable leadership of our advisors, Mesdames I. E. Washington, E. L. Clark, M. R. Cook, and Messrs. J. C. Livingston, G. F. Newell and P. H. Williams began on our way. We moved slowly at first on our voyage because there were a few cases of travel sickness. Nevertheless our passengers organized with leaders as Bennie Mack, president; Betty Stevens, vice president; and Matyre Latta, secretary.

Extra-curricular activities attracted us early and we became active in many of them. Bobby Gardner, Charlie Watkins, William Robertson, James Giles, Ervin Thomas, Isaac Williamson and Bennie Mack followed the Little Blues in athletic activities. We were represented in instrumental music by Nancy Iredell, Thomas Freeman, Eunice Coe, Dorsey Butler, Frozine Reece, and Betty Stevens. That year Carolyn Smith was an attendant to the Homecoming Queen, while Matyre Latta and Anzella King were chosen members of the cheering squad. So interested were we in our studies and activities that the year slipped away quickly.

## II

Having successfully completed requirements for our first round, we were moved to the Sophomore position. We were then 234 strong because our number was increased by fellow students from Washington Junior High School. The advisors for this round were Mesdames E. L. Clark, M. B. Jones, M. W. Blakely, A. M. Livingston and E. M. M. Kelly, Miss P. C. Gibson and M. C. Hill. As Sophomores, we began looking toward other activities. We devoted more attention to our studies during this our first year of senior high school in order to prepare for membership in the National Honor Society. This year Eunice Coe brought laurels to the class by winning first place in the "I Speak for Democracy" Contest. She won a golden cup for our school and was also guest

speaker at the Raleigh Jaycees' luncheon where she delivered her winning speech. Betty Stevens, Sandra Hicks, Bobbie Mitchell and Joyce Merriitt were chosen members of the cheering squad while Jo-Ann Holden and Grace Watts joined the majorette squad. Then Frozine Reece won second prize in the Omega Talent Hunt and the year ended with praise on the lips of all for the rising Juniors.

## III

As Juniors, our prestige increased. We elected William Robertson, president; Joseph Holt, vice president; Elaine Johnson, secretary; Edna Lyles, treasurer; Lizzie Rhodes, reporter; Bobby Gardner, parliamentarian. Under the able guidance of Mesdames S. V. Perry, M. B. Eaton, Miss M. B. Bugg, Messrs. H. Cunningham and C. C. Lipscomb, we knew we would reach our destination.

Since our goal was not so distant now, our activities increased. In Scholarship, eleven of us were discovered to possess qualities of character, leadership, scholarship and service which granted them permission to affiliate with the National Honor Society—Walter Davis, Betty Stevens, Chinita Trotter, Jo-Ann Holden, Gloria Debnam, Yvonne Clarkson, Betty Chavis, Lossie Avery, Elaine Johnson, William Haywood and Joseph Holt, Jr.

Many of our group were discovered to have special talents. In the extra-curricular program Vera Harris, Brenda Curtis, Doris Hodge, Edna Lyles, and Sandra Hicks earned for the school an A-1 rating at the District Drama Festival for their performance in a play entitled "Lily." At the District Music Festival, Frozine Reece received an A-1 rating for her rendition of "Caro-Mio-Ben" an Italian solo by Giordano. Again she won second prize in the Omega Talent Hunt. Betty Stevens brought double honors to our class by winning the World Peace Award and Vice Presidency of the Student Council. As a result of winning the peace award, she was given an all-expense-paid trip to Washington, D. C. and the United Nations Building in New York. William Haywood was elected president of the State Association of Student Councils at the State Convention in Goldsboro, N. C. A little further

# History

along the way we made another stop celebrating "Homecoming Day". This, we observed, was a competitive activity which we decided to win — and we did! Bonnie Booker won the title of "Miss Ligon High" and reigned supremely over the Homecoming festivities. Barbara Jones, another of our classmates was an attendant to our queen while our ambitious athletes distinguished themselves in athletics with Charlie Watkins as co-captain of the football team and a participant in the East-West All-Star Shrine Bowl game played in Greensboro, N. C. Jo-Ann Holden was elected co-captain of the majorette squad and Matyre Latta to the cheering squad.

The big social event was the Junior-Senior Prom which we as Juniors sponsored for the graduating seniors. We decided to go to Space for our inspiration; consequently, our theme was, "A Night in Space". Everyone was at his best: the handsome boys, and the charming girls—all were decked in their finest formal attire. It was a night to remember.

Twelve of our rising seniors participated in a Summer Science Institute for accelerated high school students held at St. Augustine's College. They were: Joseph Holt, Jesse Olds, William Robertson, Walter Davis, William Haywood, Joyce McNeill, Margaret Holt, Faye Taylor, Betty Chavis, Lizzie Rhodes, Anzella King and Betty Stevens. Grace Watts won first place in a creative writing contest sponsored by the North Carolina Teachers Association to further exemplify the versatility of our group.

## IV

Seniors at last! Yes, dignified, sophisticated and of course, superior. With increased responsibilities as well as privileges, we are heading toward the climax. William Robertson, because of his competent leadership, was retained as president, and we chose as his assistants Walter Davis, vice president; Elaine Johnson, secretary; Betty Chavis, assistant secretary; Sandra Hicks, reporter; Joseph Holt, treasurer; Bobby Gardner, parliamentarian and James Brewington, Sgt.-at-arms. Teachers assigned to guide us as advisors this final year were Mesdames R. B. Williams, E. H. Perry, G. H. Harris, E. D. Toole and Mr. H. A. Williams.

Several of our members were found to possess greater athletic ability and William Robertson and Bobby Gardner were chosen co-captains of the football team. They, along with Albert Hawkins and James Giles, participated in the East-West All Star Shrine Bowl game. Bennie Mack, Louis Johnson, James Giles and Broadus Cox distinguished themselves in football, basketball and baseball. Grace Watts was chosen captain of the majorette squad and Anzella King and Matyre Latta captains of the cheering squad. Betty Stevens was elected to the highest office a student could hold, that of president of the Student Body. In the field of art Bennie Mack, Walter Davis and James Herndon brought honor to the class.

Our senior class play, "Hook, Line and Sinker", a farce in three acts, was a tremendous success. The characters were portrayed by David Dolby, Marcus Boulware, Doris Bean, David Myers, Frozine Reece, Margaret Holt, Columbus Spencer, Gloria Debnam, Sandra Hicks and Jo-Ann Holden.

This year Frozine Reece, our soloist, won first place in the Omega Talent Hunt and journeyed to Fayetteville, N. C. where she received an A-1 rating which entitles her to compete in Asheville, N. C. for the Talent Hunt finals. Some of our class members were chosen "Students of the Week" because of their worthy contributions in the fields of leadership, scholarship, character and service—Joyce McNeill, Bobbie Mitchell, Betty Stevens, Walter Davis and Anzella King. Cheers to Walter Davis who has maintained the highest scholastic average all during the journey. Chinita Trotter, another versatile and outstanding class member, was chosen editor-in-chief of our school paper—The Tattler. Elnora Austin took Betty Stevens' place this year and won first place in the "I Speak for Democracy" Contest.

Now on the threshold of graduation, we look back with fond memories over our journey through Ligon. Life's challenges are here before us. Ligon has conditioned us to meet its many obstacles. We shall face the future with renewed zest because of our fruitful past.

## *The Principal's Message*

Fellow Students:

Again, it is our privilege to speak final words to members of our senior class as we wish them Bon Voyage.

To complete high school is to begin our next chapter in the game of life. We sincerely hope that your years spent at Ligon High School have given you a proper balance as you move toward successes and failures, winnings and losings.

Abraham Lincoln in expressing his attitude, spoke in this manner: "I am not bound to Win, but I am bound to be True. I am not bound to Succeed, but I am bound to Live Up To The Light I Have. I must stand with Anybody that is right — Stand With Him As Long As He Is Right, and Part With Him When He Is Wrong."

We believe that if each of us has decided to be True, to Stand for the Right, and to live up to the Light That is Ours, we who remain can rest assured that you, departing seniors, will acquit yourselves well — whether winning or losing — experiencing successes or failures.

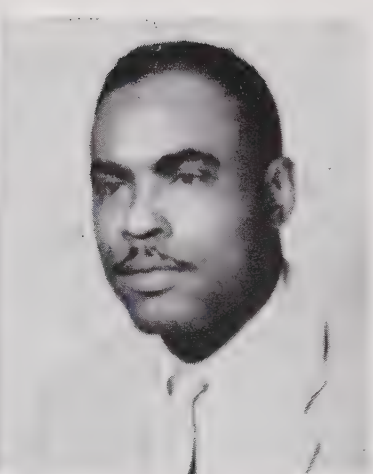

May you be a blessing to others for as long as you live.

## Students Exhibit Works

Such enthusiasm was displayed by art students during the first second six week periods in projects of non-objective art, diagrams, and mobiles. Materials used in the construction of the projects were balsa wood, tract cement, construction paper, gelatin sheets and strings.

An exhibit, born of student talent, in desiring to know more about tract art and how to express themselves, was on display in the Student Lounge December 10 through 17. Student participants were Jesse James McKay, Jo Ann Norman, Ervin Thomas, Norman Sanders, Jr., Norman Dolby, Edward Freeman, Wade McClain, Barbara Harp, Andrew Horton, William Harris, James Hunter, Barbara Jones, Adrain McCullom, Gene Robinson, Mary Hines, Gene Hall, Charlie Watkins, Brenda Cooke, Mike Neal, Lynnwood Fowler, Kenneth Cannady, Sandra Hicks, Janice Marshall, Leona Malone, Grace Lindsey, Jane Lee Carpenter, Elmo Williams, Alan Gries, Bennie Mack and Mason Reid.

Speaking of exhibits, art students are eagerly preparing an exhibit to be sent to the Regional Scholastic Art Exhibition held in Greensboro, North Carolina, February 13 through 20, 1960.

## Glee Club Presents Messiah; Support The Tattler

The TATTLER staff is happy to publish this issue of our school paper. This is the first issue in almost two years. As you may have surmised, money has been the cause of publication problems. We are financing this issue partly through advertisements from businesses in Raleigh and partly through your subscriptions.

Please purchase at least one copy of the paper at 15 cents per copy. Take a copy home and show it to your family. This is your paper. We sincerely hope you enjoy it. Be sure to make it a part of you by sending in any newsworthy items or interesting features for inclusion in the next issue.

We should have a regularly published paper here at Ligon second none in the state, and with your help we shall do just that.

## Junior Class Announces Officers

The Junior Class of the J. W. Ligon High School announced its officers for the current year recently. The newly elected officers are: President, Virginia Carr; vice president, Joe Gibbs; secretary, Virginia Stanley; assistant secretary, Virginia Shaw; treasurer, Jesse Hinton; parliamentarian, Kenneth Scatterfield; and reporter, Barbara Sullivan.

The junior class is expected to discuss plans for the annual Junior-Senior Prom at their next meeting.

The class anticipates a very successful year with its counselors, Miss M. C. Bullock, Mrs. V. K. Newell, Miss M. B. Buzg, Mr. C. C. Lipscomb, Mr. Howard Cunningham, and Mrs. S. V. Perry as class coordinator.

## Honor Society Sponsors "Student Of The Week"

The current feature, "Student Of The Week," is a project sponsored by the Ligon chapter of the National Honor Society. The column appears with the student's picture. The selection of a student is based on the four cardinal principles of the organization: character, service, scholarship and leadership. A faculty committee is responsible for the final selection of all candidates.

Having these qualifications and projecting them was Janie Lindsey, a seventh grader. Janie is the daughter of Mr. and Mrs. Otto Lindsey of East South Street. Because of her high academic standing, Janie is a very promising student.

The second student to be chosen was Robert Manuel, an eighth grader. Robert shows great promise in becoming a future leader in promoting the welfare of the school.

## Drama Guild Presents Play

The Ligon High School Drama Guild recently presented a play in the school auditorium entitled "The Girl in the Rain." This play was under the direction of Mr. C. C. Lipscomb, and was a drama of suspense presented in three acts.

The cast of characters included Edna Lyles, Bennie Mims, Vera Harris, Gloria Williams, Otis Rogers, Brenda Curtis, Brenda Dawson, James Kearney and James Johnson.

## N.H.A. Announces Projects

The members of Mrs. E. D. Toole's N. H. A. Club have announced project which they hope to carry out during the year.

The first project was Thanksgiving Baskets. They collected food items and gave to the needy for Thanksgiving. The second one is the initiation of new members scheduled for December 24th through the 11th.

Other projects include Dressing Dolls, Toys for children in the hospital at Christmas and plans for the N.H.A. Girls Basketball Team.

The officers of the N.H.A. are: President, Matyre Latta; Vice President, Anzella King; Secretary, Betty Chavis; Assistant Secretary, Frances Robertson; Reporter, Betty Joyce; Treasurer, Betty Thomas; Program Chairman, LuVerne Lane and Social Chairman, LuVerne Lane.

## English Class Organizes

The students of the English Class of Mrs. E. D. Toole have organized an English Club. The purpose of this club is to promote better leadership, listening, thinking, speaking and writing abilities.

The following officers are elected each 6 weeks: President, V. K. Newell, Secretary, Assistant Secretary, and Parliamentarian, Brenda Dawson. The club has also established committees which are very six weeks. They are: Current News, and Word Analysis.

## Student Council Awards Prizes

Mrs. H. B. Williams' Homeroom received five dollars for the first senior high homeroom to report 100% membership.

Toole's homeroom received dollars for being the second senior high department to report 100%.

In the Junior High I received 100%, and Mrs. Williams' homeroom received three dollars for the second.

Membership fee is 2 cents.

# OUR ACTIVITIES

# THE ECHO

The Editors plan the 1960 Echo lay-out

The Echo Staff is composed of volunteer members from the senior high department. These students perform such duties as are necessary to produce this type of publication. Their duties are varied and often difficult because of the time element, but each shares his duties willfully. The junior high department provides a group of students known as the Echolets supervised by Mrs. M. P. Lane. They contribute valuable support by helping solicit advertisements.

This group of young men purpose to create, maintain and establish throughout the home, school and community high standards of social life. Their activities have provided other teenagers with wholesome social recreation which otherwise would have been minimized were it not for the thoughtfulness of its members. The group supports all school programs. The Vikings hold membership in almost every organization on the campus and their strength is felt tremendously in the field of athletics.

The Y-Teen symbol, a triangle with a globe in the foreground, represents our growing as a person in the understanding and knowledge of God.

The globe represents the international scope of the Y-Teens and the need for world-wide fellowship with people of all races, religions and nationalities so that some day we may realize the idea of "peace on earth, good will toward men."

Our purpose is to build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

In this endeavor we seek to understand Jesus, to share His love for all people and to grow in the knowledge and love of God.

Through the Y-Teens, youth learn by doing. It offers an opportunity to grow morally and spiritually, as well as physically. The "planks" of the Y-Teen Program stimulated one senior high school girl to say, "We have been exposed to ideas and ideals and know we have something to believe in." The program develops a christian life in a democratic society.

Ligon's library assistants are an integral part of the total school-library program. In addition to extending services, these assistants find the work challenging.

From such experiences, the opportunity to broaden their personal experience is provided through: becoming more adapt in the use of books and libraries; promoting cooperative attitudes between the librarian and students; and providing opportunities for developing and using special abilities and skills. This group performs an invaluable service to the school as well as to themselves. They perform such duties as circulation services; shelving services; room services; reserve-materials services; book processing services and general clerical services.

Every service performed by the assistants is regarded with importance and necessity in the operation of the Ligon library.

### THE STUDENT COUNCIL

#### *Voice of the Students*

The Ligon Council was organized for the purpose of promoting the general welfare of the students. The organization is not a means by which students unite in opposition to the administration and staff, but a means through which students, teachers, and administration cooperate in working for the best interest of the school. Since the primary purpose of education is to foster, promote and develop democracy as a way of life, the Student Council assists in this accomplishment.

A Student Council without a schedule of worthwhile projects is as a car without gasoline. The following are some of the activities for the Year 1959-60:

Orientation of New Students—Youth Day—Teacher Appreciation Day—Awards Days—Leadership Training Workshop—Stunt Night—Domestic Exchange Program—Citizenship Training—Career Clinic Exhibit—Publication of Student Directory—Telephone calls to all registered voters—Promotion of bond issue—Mock political convention—Attendance on district, state and national levels—Socials for junior and senior high departments—Christmas Party for children of the Oxford Orphanage—Distribution of cheer baskets to the needy, in conjunction with the Wake County Welfare Department—Guided tours of buildings for visitors—Fostering of juvenile decency through a positive approach

## *...New Homemakers of America*

Laundry methods today, just like everything else, are changing with the advances that have been gained by research, industry, and education.

Progress in the fabric field has brought us new fabrics of incredible strength and beauty. Many of the older, well-known fabrics now have greater resistance to shrinkage and wrinkling and have better appearance and greater washability.

Laundry equipment and laundry supplies have been improved through penetrating and practical research.

We are now studying methods that will free the future homemakers of the fatigue of washing and ironing.

Studying child development helps us to understand ourselves and our present families and to be better prepared for future marriage and parenthood.

Through observation and study we gain an increased understanding of children through sharing in their guidance and care.

LITTLE BLUES

# 1959 Highlights

Blues 34 — Smith 14 (played in Fayetteville)

The Ligon "Little Blues" opened their '59 season with a very fine victory over E. E. Smith of Fayetteville. Hard blocking by Hawkins and Gardner enabled Ligon's fine backs to strike repeatedly for long gains. The scoring was led by Stewart, Mack, Crowder and Crockett. Robertson and Crockett added the P.A.T.'s.

Blues 28 — Moore 6 (played in Elizabeth City)

P. W. Moore of Elizabeth City was the second opponent to feel the power of the Ligon Forward wall and to witness the blistering speed of its backfield. James "Blair" Stewart led the Blues with 2 TD's. Bennie Mack, and James Giles scored also. Crockett was credited with the P.A.T.'s.

Blues 14 — High Point 22 (played in Raleigh)

With two victories under their belts, the Blues suffered their first defeat at the hands of Penn of High Point. In the first quarter the Blues jumped to a early 14 point lead on TD's by Crockett and Crowder. However the powerful Penn eleven proved to be too much for the Blues in the long run.

Blues 14 — Adkins 8 (played in Kinston)

Seeking revenge after the defeat by Penn, the Blues were once again victorious in their encounter with Adkins. Led by Bobby Gardner and Keith on the forward wall, the Blues managed to tally twice; once by Crockett and once by Giles. P.A.T. was credited to Crowder.

Blues 22 — Williston 12 (played in Wilmington)

Facing a strong Wilmington eleven the Blues once again went to work. The terrific speed of Crockett and Stewart were again exhibited. Crockett scored twice, once on a dazzling 90-yard run. Stewart scored once and a safety was added by hardhitting Bobby Gardner.

Blues 32 — Epps 8

A very large crowd was on hand to witness a fine Homecoming performance by the Blues. The entire Ligon backfield tallied. Led on the offensive line by Hawkins and Gardner, the Blue's backs repeatedly struck for long gains and pay dirt. Gardner also scored on a fine defensive play.

Blues 24 — Barber 0 (played in Raleigh)

The J. T. Barber "Warriors" invaded Chavis Park only to receive the licking of their lives. Hard blocking and fancy stepping led the Blues to one of their best victories of the season. Mack, Crockett, and Crowder did the scoring for Ligon. Crockett scored twice.

Blues 24 — Washington 6 (played in Rocky Mount)

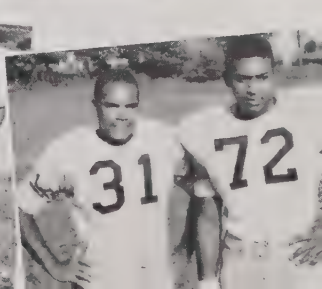

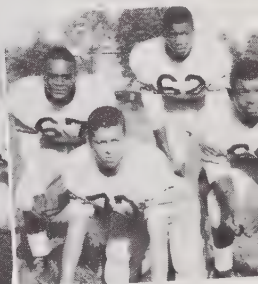

Though the skies were overcast and the rain came in abundance, the Little Blues once again shone brightly. The speedy legs of Stewart and the fine signal calling of Mack enabled the Blues to capture its seventh win. P.A.T.'s were added by Robertson and Crockett.

Blues 0 — Hillside 8 (played in Durham)

Living up to all expectation of rivals, the Blues and the Hornets put on a battle long to be remembered. Playing in several inches of impossible mud the two rivals sported stout defenses but slower than usual on offensive stand-outs. The Hornets were led by Lyons and Holloway.

Blues 6 — Hillside 33 (played in Raleigh)

Tied for state Eastern honors, the Blues and Hornets met once again in what was expected to be the battle of battles. This, however, was not the case. The Hillside "Hornets" struck early on a fine run by Flowers. The Blues retaliated on a 81 yard sprint by Crockett, but were unable to score again. The Hornets went on to win the eastern honors with flying colors.

## CHAMPIONSHIP GAME (played in Raleigh)

SPINDALE 7

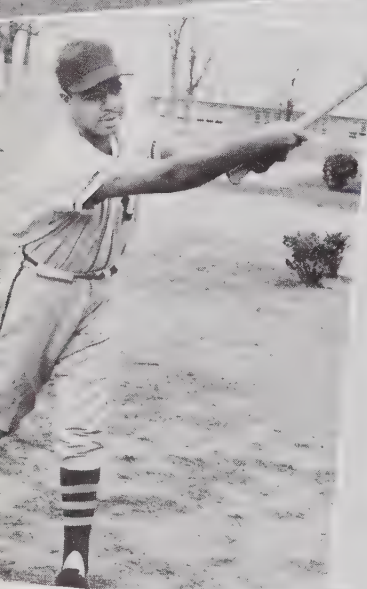

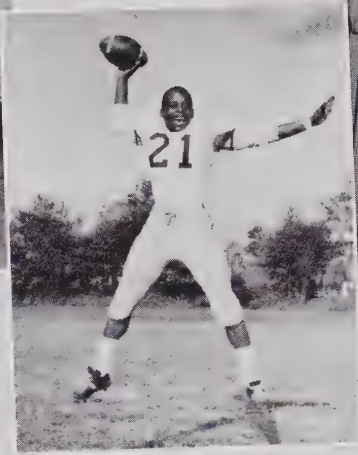

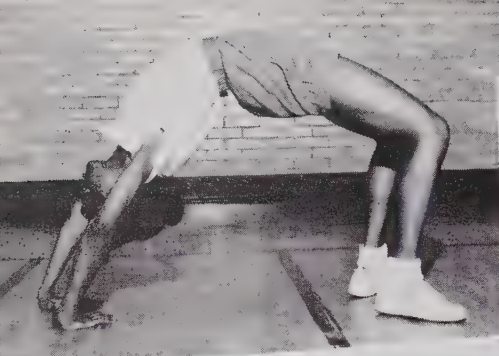

Strong pitching throughout the season by Jones and Christmas and the big bats of Tate, Johnson, Hartsfield and Powell again enabled the "Little Blues" to reach the state finals. Sporting a record of 13 wins and 1 defeat, the Blues faced an unbeaten Spindale nine of the West. The game was characterized by fine defensive plays and several clutch hits by both teams, each team collected five. The Blues were led defensively by Henderson and Powell who carried the big bats.
